1. The IDAN Distinction
2. Personal Development
3. Key Designer Benefits
4. Business Benefits

### 1. **The IDAN Distinction**

The Interior Designers Association of Nigeria is the only professional Interior design association in Nigeria. As membership of IDAN is selective, it will set you apart from other interior designers, decorators and trade people in Nigeria.

### 2. **Personal Development**

IDAN Membership offers training & networking with International Interior Design schools offering its member a 10% discount. Currently there is a non-consideration of interior design as a discipline and the industry lacks educational standards. IDAN is networking with top interior design schools internationally to provide training, organize workshops, seminars. IDAN will offer courses and seminars to enhance the knowledge and skill of its members

### 3. **Key Designer Benefits**

IDAN is a member of the International Federation of Interior Designers/Architects (IFI) the world body for Interiors Designers Associations; this means that its members would be linked to world interior designers association like The British Interior Designer Association {BIDA}, American Society of Interior Designers {ASID} The members would also have information about latest design products and world industrial news, information about world interior designer fairs.

### 4. **Business Benefits**

#### a. **IDAN Logo & Appellation**

All members will be entitled to use the IDAN logo and appellation on their stationery advertisements, press articles e.t.c

b. Members Certificates to be given to all members.

#### c. **Essential Interiors Magazine**

Essential Interiors Magazine is the first Interior Design Magazine in Nigeria. All members of IDAN would be entitled to 20% discount off the magazine advert.

d. IDAN would hold yearly award events for members only.

e. IDAN would hold yearly trade-show offering members an opportunity to meet potential clients.

According to the International Federation of Interior designers (IFI), the professional interior designer is a person qualified by education, experience and recognized by skills, who:

- identifies, researches and creatively solves problems pertaining to the function and quality of the interior environment
- performs services relative to interior spaces including programming, design analysis, space planning, aesthetics and inspection of work on site, using specialized knowledge of interior construction, building systems and components, building regulations, equipment, materials and furnishing
- Prepares drawings and documents relative to the design of interior spaces, in order to enhance the quality of life and protect the health, safety and welfare of the public

The Association defines interior designers as persons qualified by training and experience to plan the design and execution of interior projects and their furnishings, and to organise the various arts and crafts essential to their completion.

There are various levels of Designer membership

### **Members**

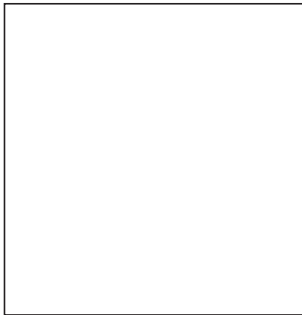

A minimum of 6 years' experience in full time employment in the field of interior design. Entry is by invitation

Members are entitled to use the suffix "IDAN" or "Member, IDAN"

### **Associate members**

Requirements for Associate members are either:

- a three year degree or one year diploma in interior design, or
- a minimum of one year's full time employment in the field of interior design
- without any formal qualifications, associate membership may be granted after submission of the application.
